

SATSANG TOUR : ISRAEL, EGYPT & JORDAN - MAY 2011

As the word of God says, I was glad when they said to me, let us go to the house of the Lord. Psalm 122
Israel, the Chosen land of God is very close to my heart. We recently visited Israel with our Satsang Team & group that believed in what the Satsang and Anil Kant Ministries is doing. This Holy land tour was a gesture and a walk of faith so we could pray in every corner, every lane, every road, every place & even in those territories occupied by the Palestinians.

As Christians, we have a responsibility to pray and support Israel, in the hope of bringing the nation of Israel and the Jewish people to see Jesus Christ as their Messiah; and to change the destiny of Israel & through Israel, the destiny of the entire world.

It was a Spirit filled Tour and we experienced the presence of God in a mighty way. It was a journey to grow in faith. We know that we have returned home with refreshed hearts, filled with the Lord's anointing and love.

This update is a reflection, a time of contemplation; to join hands and uphold Israel, at least once in your daily personal prayers. We have become the sons & daughters of Yeshua, the Messiah and praying for the nation of Israel as spiritual Jews that we are called now after receiving Jesus as our Lord & Savior is our responsibility.

If Israel is saved, India is saved. If Israel is saved, the whole world is saved.
