## **DAILY PROGRAM ON CVO CHANNEL** (except Sundays) in MAHARASHTRA AND DELHI

Anil Kant Ministries desire to minister to the unbelievers and thereby help advance the Kingdom of heaven. It's been little over two months now since the earnest effort of telecasting Zindagi Forever on CVO channel has begun.

The vision being, to make Satsang available to every house-hold, primarily, in the state of Maharashtra and to every Hindi and English speaking home in Maharashtra and many parts of Delhi. The viewership of this channel is over 6 million homes only in this region.

Through this program we are seeing a very positive increase in the Sunday fellowship. The program response is encouraging and affirmed by many of our viewers. Some of the comments and testimonies are mentioned below:

- My mother who is suffering from breast cancer, watches your program on CVO and she really likes it.
  - We see the program first thing in the morning and it blesses us.
  - "My husband does not allow me to go to Church, but your program provides me a window into the Bible and Christ's message. Thank You!"
  - The songs are mind blowing and bring lot of blessing to us. Off course your messages are very effective, touching and helpful in day to day life.
  - We pray bhैया, that the ministry grows in millions - by the way of these programs on the CVO and GOD TV and life of so many people shall get transformed by the prayers of Lord Jesus.
- We continue to receive phone calls for prayers or counseling in response to the programs.

## **NEW SOULS IN THE KINGDOM OF GOD**

The vision to WIN, CONNECT, TRAIN and SEND has been given to us and our mission is to win new souls and prepare them as leaders for the Kingdom of God. We have been giving baptisms on a regular basis to people from different denominations and cultures and some photographs of the baptisms given in the last two months are given below:

### **11 BAPTISMS WERE GIVEN ON JUHU BEACH ON 21-02-10**

### **12 PEOPLE WERE BAPTISED ON EASTER DAY**

We believe with all our hearts that God is going to all the new believers to help them rise to new levels this year and in the coming year. We're praying for great things to happen in their lives and through them in the lives of others too. The Lord will enable us to renew our mind with His Word and allow His Word to guide us.

Thank you so much for helping us share the message of HOPE in Jesus Christ to all those seeking for the truth. We sincerely thank all of you for your kind prayers and concern towards the ministry.

With love in Christ,  
ANIL and REENA KANT
