1. AAJ KA YEH DIN

Aaj ka ye din shubh din hai
Today is a very favorable day
Aaj ki ye raat shubh raat
Tonight is a very favorable night
Aao hum kare pyar se shuru
Let us express our love
Pyar ke masiha ki baat
For Jesus, the epitome of love
Tere liye mere liye
He came for you and for me
Aaya ha woh sabke liye - 2
He came for everyone

Aisa pyar dekha na kabhi
We have never seen such great love
Aisa pyar paya na kabhi
We have never received such great love
Pyar mein uske gairon ne bhi apnapan paya
His love embraced even the strangers
Mera har din naya din hai
Everyday is a new day for me
Meri har raat nayee raat hai ,
Every night a new night for me
Aao.....
Come let us...

Uski har baat hai mera jonoon
His word is my passion
Woh din raat hai mera sukoon
He comforts me all day and night
Pyar masih ka meri himmat pyar mera saaya
My Loving savior is my strength and my shadow

Har kadam - 2 woh hai mere sang
He is with me at every step

Har jagah masih hai mere saath

He is with me everywhere

Aao hum

Come let us...

2. O MERE KHUDA

O mere Khuda - 2

Oh my Lord-2

Maine sada tera naam liya

I always call upon your name

Maine jo bhi maanga tune mujhko diya

You have given me whatever I asked

O mere Khuda...

Oh my Lord....

Na aasmaan manga humne

We did not ask for the heavens

Aur na jameen mangi humne

Nor did we ask for the earth

Naa chaand tare sitare mange the

We did not ask for the moon or the stars

Aur naa hava mangi humne

Nor did we ask for air

Bina mange hi tune sab kuch diya

You have blessed us without our asking

O mere Khuda...

Oh my Lord....

Ek phool khila gulshan mein

One flower blossomed in the garden

Ek aas bandhi hai jeevan mein

and brought hope in my life

Tere aane se ai Yesu

With your coming Lord Jesus

Aabad hua hai aangan ye

My life has prospered

Tu nahin tha jeevan mein kuch bhi na tha

Without You, my life was nothing

O mere khuda...

Oh my Lord....

Bas ek dua mange milke

Let us all pray together

Hum tere dar pe ai malik

We have come to you O Lord

Hum phool hai jitne gulshan ke

We are the flowers of Your garden

Har mausam mein mahake milke

prosper us in every season

Mahaka na jo phool to voh phool hi kya

What is a flower without a fragrance?

O mere khuda...

Oh my Lord....

3. PREM GEET

Maine tere liye sirf tere liye

I sing only for You

Teri tarif mein bandagi ke liye

To praise and to worship You

Gaaya Prem geet - 2

I sing a love song

Tu mera pyar hai, tu meri aarzoo

You are my love and my desire

Tu mera chain hai, tu meri justju

You give me rest and fulfill my heart

Yesu Aye masih...

O Jesus, My Savior...

Tune mujhko apna banaya

You embraced me and

Tune mujhko jeena sikhaya - 2

You taught me how to live

Aisi hi rahoongi main hardam

I will remain like this forever,

Jaisa tune mujhko banaya

just as You have made me

Main jahan bhi rahoon, bas teri yaad mein

Wherever I am, my thoughts are of You

Mera mann to sada teri fariyad mien

My heart always pleads for You

Yeshu aye masih
Oh Jesus, my Savior

Dil ye chahe gaati rahoon main
My heart desires to keep on singing
Geeton ke phool sajati rahoo main
By making a garland of songs for you
Tere hi sur mein, teri lay mein
In tune with You and in sync with You
Duniya ko apna banati rahoon main
Let me embrace the world like you
Is jahan mein sadaa, tera naam rahe
Your name will stay for eternity
Har nazar dekhe har zubaan ye kahe
Every eye will behold and every tongue will confess
Yeshu..... Aye masih
O Jesus, My Savior

4. KHUSH KHABRI

Khush khabri-2, Aaya masih-2
Good news, Jesus has come
Hum sabke paapon ko mitane
To take away our sins
Duniya se andhakar hatane
And take us out of darkness,
Aaya Masih-2
Jesus has come

Yeshu ke hum chahane wale – 3
We are the chosen of the Lord
Uske geeton ko gaane wale
The ones who sing for his glory
Kehte hain saari duniya se – 2
Telling the whole world
Baat sahi aur baat khari, khush....
About the truth
Khush khabri...
Good news....

Ab meri dor haath mein tere - 3

Now my strings are in your hands
Tune liye paap bhi mere
You took away all my sins
Tere jaisa saare jahaan mein,
There is no one in the world like You,
Na hai abhi, Na tha kabhi
There was and is none like You

5. KUCH BHI NAHIN

Kuch bhi nahin hai, pyar ke bina
If you have no love, you have nothing
Mera masih hai, pyar ka khuda
My Lord Jesus is a symbol of Love
Ye Zameen, yeh Aasmaan
This existence, the heavens
Ye Bandagi, yeh Zindagi - kuch bhi nahin
Your worship and your life are nothing
Kuch bhi nahin hai pyar ke bina
If you have no love, you have nothing

Pyar mohabbat ishq wafa, naam hai tere sabhi khuda
He is a God of love, peace, hope and faith
Zindagi mein hume bus pyar kare, tere milne ka intezaar kare
The greatest of these is love and to be united with God
Hum tere bin kuch bhi nahin, Kuch bhi nahin hum tere bina
We are nothing without you, without you we are nothing
Kuch bhi nahin hai....
If you have no love...

Pyar kabhi jalta nahin, apni badai karta nahin
Love does not envy, does not parade itself
Pyar hai dheeraj, pyar hai maafi
Love bears all things, love is kind
Darta nahin bura manta nahin
It is not provoked and thinks no evil
Sab baaten yeh seh leta hai, sacchi baat bhi keh deta hai
Love endures all things and does not rejoice in inequity
Khush hota hai acchai se, door rahe burai se
But rejoices in truth and thinks no evil
Pyar kabhi jalta nahin, apni badai karta nahin

Love does not envy, does not parade itself

Pyar hai dheeraj, pyar hai maafi

Love bears all things, love is kind

Darta nahin bura manta nahin

It is not provoked and thinks no evil

Gyan adhoora, pyar ke bina

Knowledge may fail but love never fails

Kuch bhi nahin hai....

If you have no love...

6. DIL DE DIYA HAI

Dilruba, maharaba, humnafas, humnava,

My beloved, adored, my friend, my dearest

Dilkashin, dilnashin, aafreen, yakhuda

Most attractive, most beautiful, You are the best O Lord

Dil Dil de diya hai - 4 maine tujhko 2

I have given you my life

Dil wala hai tu sabse bada

O large hearted God

Teri ada hai sabse juda

There is none other like you

Yeh zindagi - hai roshni

This life has been lit up

Yeh aashique - hai bandagi

This love is for worship

Tu de raha hai har khushi - 2

You have given me complete joy

Humko mili hai teri wafa - 2

We have received your love

Jo bhi tu chahe hoga yahan

Whatever you desire will happen

Teri nazar dagar - 2

Your eyes follow me

To phir mujhe hai kaisa dar

I don't need to fear

Tujhko sabhi ki hai khabar - 2

You take care of everyone

Teri nazar se kuch na chupa - 2

Nothing is hidden from you
Tune dikhaya hai raasta
You have shown me the way

7. CHOO LIYA

Choo liya – 3, haan mujhe choo liya - 3
Someone has touched me

Yeshu ke naam ne Yeshu ke pyar ne
The name of Jesus and the love of Jesus

Yeshu ke saath ne choo liya
Being with Jesus has touched me

Yeshu ke roop ne Yeshu ke rang ne
The stature and the color of Jesus

Yeshu ki baat ne choo liya
The words of Jesus have touched me.

Yeshu ne choo liya haan choo liya
Jesus has touched me

Choo liya – 3....
Someone has touched me

Pyar hai pyar hai -2
I love Him,

Woh mera pyar hai mera qaraar hai
He is my love and my passion

Mujhko Yeshu ka intezaar hai
I am waiting for Jesus

Woh jald aayega mujhko le jayega
He will come very soon and take me

Jannat mein ghar mera taiyaar hai
He has made a mansion for me in heaven

Haan mujhko Yeshu se hi pyar hai
Yes I love Jesus

Pyar hai pyar hai -2
I love Him,

Yeshu hi hai zindagi, Aao kar lo bandagi
Jesus is life, come let us worship

Waqt na phir ye aayega, dard dava ho jayega

This time will never come again, pain will be healed

Ho jayegi der to, dost bahut pachtayega

Friend, do not delay and repent later

Yeshu hi hai zindagi, Aao kar lo bandagi – 2

Jesus is our life and let us worship Him

Dil yeh masih ka talabgaar hai

My heart yearns for our Savior

Choo liya – 3....

Someone has touched me

8. KHUDA HAI MOHABBAT

Khuda Hai Mohabbat, Yeshu Khuda hai

God is love and Jesus is a loving God

Yeshu Ki Mohabbat, Sabse Judaa hai

The love of Jesus is unique

Mere Doston ne mujhko, ik din bulaya

My friends invited me for a meeting

Yeshu masih ka mujhko, kissa sunaya

They told me about the sacrifice of Jesus

Sunke woh baaten mera sar jhuk gaya hai

I surrendered myself after hearing about Him

Khuda Hai Mohabbat...

God is love....

Nayi Zindagi se mud kar wapas na jaana

Friend, do not turn back after receiving this new life

Shaitaan ki baaton mein phir se na aana

Don't get enticed in satan's plan

Jannat ka humse khuda ne, vadaa kiya hai

The Lord has promised us a place in heaven

Ya Khuda, Ya Khuda, tu hai mera masiha

My Lord, My Lord you are my Savior.
