## **PAKISTAN TOUR**

DEAR FRIENDS,

It was a privilege to work together with the Pakistan Team to see our Heavenly Father move among the people of this land. It was a journey of experience, there was a time of learning, growth and multiplication, of worship & prayer.

The meetings saw large congregations of people coming together and they were blessed by fellowship with each other and the spontaneous leading of the Holy Spirit. The presence of the Holy Spirit was strong as people entered into His presence to lift up the name of God. People received the deposit in great proportion and went back in power. There were times when the Presence of the Holy Spirit was so evident that people were lead into repentance, reconciliation and to recommit their lives to the Lord for a deeper commitment.

## **KARACHI CRUSADES**

We are seeing greater harvest, sharper cutting edge and far more testimonies of healing and deliverance. The objective was to impart, motivate and encourage, equip and empower them with the word of God through word and music.
