

Dearly beloved in Christ,

Greetings to you in Jesus name !!!

With abundant gratitude and thanks to our Almighty God we are sending you this update from anil kant ministries.

The Inter-denominational Satsang held on Friday the 27th of August 2011 had brought us very encouraging participation of people from different backgrounds and cultures of India and we received tremendous feedback from the people spanning across this city. The local churches worked together to bring people from all walks of life reach out to hindi speaking communities who have not heard the good news in an Indian platter. So this was the first satsang of its kind in Chennai.

The very purpose of God's eternal plans are getting fulfilled in this part of the land and the kind of testimonies shared by the blessed community in Chennai exhibited the miracle working power of Jesus beyond measure and eventually increased the faith level of every participant.

Our hearts are filled with gratitude and we are strengthened to accomplish greater things towards building His kingdom in this land for His glory more and more.

What an awesome God we serve !!!

With love in Christ,
ANIL and REENA KANT
