

Dear Friends,

We had a wonderful trip in Israel, Egypt and Jordan and we witnessed the awesome presence of God and his Holy Spirit. We are so thrilled to share with all our family and friends about the Journey we took and followed on the footsteps of Jesus. Our tour to Israel was called

Aao Khuda Ke Ghar Chalen **COME TO THE HOUSE OF THE LORD**

When we choose to cling to him and allow ourselves to be guided by the Spirit, we are sure to make it to the right destination and in time.

Going to Israel with a big group of people was a different experience.

It was a time of learning and experiencing the person of Jesus and it was a great blessing for all us.

Every place we went, starting from Mount Nebo, the journey of Moses, Nazareth, the Dead Sea, River Jordan where we had the baptism service, boat ride in Galilee, Mount of Beatitudes, Bethlehem- the birth place of Jesus, Jerusalem-till his crucifixion site, we feel the strong presence of His Spirit with us. We even enjoyed Jordan and Egypt with the whole group.

This portion of the trip enabled us to intercede for the entire team of AKMI and all the partners and those who are now believers plus those who have not yet heard the good news. We are always thankful for opportunities that God gives and a chance to build upon relationships that God has provided.

May the Risen Christ bless each one of us for his Glory.

All the glory and honor goes to our Lord and saviour, Jesus and Abba Father.

Yeshua Bless You.
