

Dear Friends,

It has been a privilege to work together with LAF India to see our Heavenly Father move among the people of Andhra Pradesh. As we extensively travel around Andhra Pradesh, we see a great hunger and move of God on this place.

The meetings which were arranged in Vijayawada and Warangal saw large congregations of people coming together and they were blessed by fellowship and the spontaneous leading of the Holy Spirit. The presence of the Holy Spirit was strong as people entered into His presence to lift up the name of God during the time of worship, word & prayer.
